Conclusion of the agreement

1. Registration and payment

- a. To register yourself or your child/children with Rabarber for the 2020-2021 season, you first need to complete and sign the online registration form or the paper registration form.
- b. By signing and submitting the registration form, the applicant undertakes to meet the financial obligations associated with it.
- c. Rabarber charges an administration fee of €25 for each new participant. This amount is never reimbursed.
- d. Payment can only be made by direct debit.
- e. The participation fee will be automatically debited from your account in two instalments when the course duration is longer than 15 weeks. This will then take place in the months of October and January respectively. We will send you an invoice by email. For any courses shorter than 15 weeks, we will send you an invoice at the start of the course.
- f. Discounts do not apply to registrations submitted during the season.
- g. Exemption from payment/reimbursement of participation fee in the event of failure to attend the lessons is not possible, except in certain exceptional circumstances which can be demonstrated, for example when relocating outside Rabarber's working area or if medical reasons require the deregistration. You may then submit a request in writing to the management board of Rabarber.

2. Changing the registration

- a. Rabarber makes its best efforts to place the participants in the group of their first choice. If this is not possible, the participant will be placed in the group of their second choice.
- b. If you wish to change your group choice, for example to another group or day, or if you have any questions about payments, please contact our administration department. Our administration department is available by phone from Monday to Friday between 11 am and 4 pm via +31 (0) 70 3450996 or by email via info@rabarber.net. Rabarber cannot guarantee that it will be successful in placing participants in another group, which may mean that the original registration will continue unchanged.

a. Deregistration: courses longer than 15 weeks

No participation fee is due up to fourteen days **before** the start of the season, 4 September 2020. Half of the participation fee is due upon deregistration within two weeks **after** the start of the season, 2 October 2020. This does not entitle to any reimbursement of the participation fee.

c. Deregistration: LOT, Gap Year and TRAC

In case of cancellations for LOT, the Gap Year and TRAC, you owe 50% of the total amount of the participation fee once you have received final confirmation of the registration from Rabarber.

4. Cancellation by Rabarber

Rabarber undertakes to ensure its participants that the planned activities may proceed as much as possible. As such, Rabarber has the right to have other teachers provide the activity than originally set out.

a. Lesson cancellation

When known in due time that a lesson is to be cancelled, Rabarber will inform the participant, or the person obliged to pay, either by email or by telephone as selected by the applicant on the registration form.

It is the participant's own responsibility to ensure that the correct contact details are known to Rabarber's administration.

Rabarber cannot be held liable for participants not having read or received such messages.

b. When a teacher is absent

If, on the total number of activities during a season of more than 15 course weeks, more than two lessons were cancelled due to the absence of a teacher, a written request may be submitted to the management board before the end of the season for a refund of the participation fee for the lessons not taken. Restitution of participation fees is therefore only given in the event of the failure of three or more activities.

c. Force majeure

If an activity or a series of activities is cancelled in the event of force majeure, Rabarber is not required to comply with any obligation if it is prevented from doing so as a result of force majeure. Force majeure events include, but are not limited to, external foreseeable or unforeseeable causes which Rabarber cannot influence, but as a result of which Rabarber is unable to fulfil its obligations, such as natural catastrophes, epidemics, strikes around Rabarber's locations or in their vicinity.

In the event of shutdown, cancellation, modification or relocation of an activity, workshop or performance as a result of force majeure, Rabarber shall not be held liable for damages.

5. Fees

The participation fees for the various courses are set in April each year and communicated through the appropriate channels at the start of the registration process.

If you have an Ooievaarspas, which is a discount card issued by the municipality of The Hague, you will receive a discount of up to 100% on the tuition fees. You can indicate this on the registration form. The Ooievaarspas must be scanned twice a year to be eligible for the discount.
