2. pick the element SPACE (remember the elements of dance). Play with the timing of the dance.
think of:

>> where to do this choreography in the house
use your kitchen, living room, bed room etc.

>> move around in this space, on the sofa, under
the kitchen table etc.

>> make the movement with a different part of
the body

! don't forget to write down in you post what you used to change the choreography !

3. create with one element en crazy variation on one of the choreography and post it on
Instagram! TAG @theaterschoolrabarber

See video's for inspiration and if you want different music! Feel free!!

We are looking forward to see all your creations!
